STRENGTHS

- Abby has a solid average of 1.18 assists per game, indicating her ability to facilitate plays.
- Her service game shows promise with an average of 0.36 aces per game.
- Despite limited playing time, she demonstrates potential for development in her hitting with a 22.2% hitting percentage.

AREAS FOR GROWTH

- Her kills per game average of 0.73 suggests she may struggle with offensive scoring.
- A relatively low hitting percentage could indicate inconsistencies in her attacking skills.
- With only 11 games played, her experience level may be limited compared to other recruits.

OPPORTUNITIES

- Abby can improve her offensive skills and increase her kills per game with focused training.
- Participating in more competitive matches could help her gain valuable experience and exposure.
- Joining a club team or attending camps could enhance her visibility to college recruiters.

WATCH FOR

- The competitive nature of recruiting may overshadow her potential due to limited stats.
- Injuries or setbacks could hinder her development and playing time in future seasons.
- The presence of other skilled setters in her recruiting class may make it harder to stand out.
